

Find the perfect Christmas Gift from our range of in-house accessories

Yorkshire Design Associates design all aspects of interiors. With the highest level of customer service our aim is to bring the best in style and design to Northern homes.

We supply a range of products that complement our designs. A selection of these products are available for sale within the showroom and are delivered to

your door at the best competitive prices in the UK and Ireland. Sourced internationally, the YDA thinking is that you will not necessarily find these products on the high street.

Visit us at our new design studio at St James Park or visit our fully stylised apartment, located within the Lapidica showroom for inspiration and ideas.
